agent 401

agent
simply communicate

The agent 401 is a single ear, noise cancelling, top half headset

Headset Benefits

With a single earpiece and noise cancelling feature, the agent 401 delivers high quality sound, enabling you to concentrate on the caller whilst also being aware of what's happening around you. It's extremely comfortable with an adjustable headband to match all head sizes.

agent has become one of the fastest growing headset brands in the UK. Our cost effective, high quality headsets have enabled call centres and offices to experience higher levels of productivity and efficiency, which allows them to provide a better customer experience.
